

Department of Computer Engineering

University of Peradeniya

CO226-Database Systems

Lab Sheet Number : 02

Topic : Introduction to PHP

Lab Date : 01st December 2021 from 3:00 PM to 5:00 PM

Due Date : 07th December 2021 before 11:55 PM

Submission : Submit the html files, php files and relevant screenshots for the given task in a zipped file named E18XXXLab2.zip. Here XXX is your Registration number.

Previous Lab Task :

Create the following web page using HTML and CSS. The page could be used to order T-shirts online. Using this form, users can select the size of the T-shirt as small, medium and large. The colors to choose are Red, Purple, Blue and Green. Users could also buy extra items such as Cap and Wrist bands. Finally the user needs to enter delivery address and any comments regarding the purchase. Using the buttons given, users can order T-shirts, search for existing orders, change orders and delete orders.

Buy T-shirts Online

Fill out the form below and click "Order Now" to order

Search by order number:

Choose your size: ☐ Small ☐ Medium ☐ Large

Choose your colour:

Extra Items: ☐ Cap ☐ Wrist Band
